

POLICIES & PROCEDURES

Founded in 1985, we provide a forum for members to review venture opportunities in the Pacific Northwest. Members invest individually and are welcome to collaborate on due diligence and deal term negotiations. Our monthly meeting is the second Tuesday, Noon to 2:15 PM. At the beginning of the meeting we have general discussion about current trends and practices in the investing community. Next we have three companies present that were selected by the Screening Committee. After, members discuss the pros and cons of each presenting company. We close with an educational speaker that is focused on the start-up community. Membership is limited to 40.
